

McCray Refrigerators

For Residences, Clubs, Hotels,
Public Institutions, Markets,
Groceries, Etc.

McCRAY REFRIGERATORS

NOT LINED WITH ZINC, as corroding zinc and imperfect circulation of air generate poisons, which are absorbed by the foods and cause disease. Milk and Butter are especially susceptible to odors and poisonous gases. We also build the

McCRAY REFRIGERATORS

to fit any space and in any size desired. All work guaranteed absolutely satisfactory.
